

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION

THE STATE OF OHIO, et al.,

Plaintiffs,

v.

UNITED STATES ENVIRONMENTAL
PROTECTION AGENCY, et al.,

Defendants.

Case No. 2:15-cv-2467

CHIEF JUDGE EDMUND A. SARGUS, JR.
Magistrate Judge Norah McCann King

ORDER

On February 22, 2016, a panel of the United States Court of Appeals for the Sixth Circuit ruled that the Sixth Circuit has exclusive jurisdiction to review challenges to the Clean Water Rule, 80 Fed. Reg. 37,054 (June 29, 2015). (*See* ECF No. 48-1.) Citing the Sixth Circuit's February 22 decision, Defendants have moved to dismiss the action currently pending before this Court. (*See* ECF No. 50.)

The February 22 decision is binding on this Court. The mandate has not yet been issued by the Sixth Circuit. And in light of the Sixth Circuit's recent order to shorten the deadline by which the parties must file petitions for en banc review, the mandate for this case might not issue for some time. *See* Fed. R. App. P. 41(d)(1). Accordingly, the Court **STAYS** all proceedings in this case until the mandate from the Sixth Circuit finally issues.

IT IS SO ORDERED.
